

Attention all rally organisers !!!

It has been noted there are some changes in the 2018 MSA Year Book ("Blue Book") that are NOT in red for 2018 although perhaps should be !!!

... in Section R the charts for penalties on rallies (pages 330, 334 & 335) no longer include the penalty of "Exclusion" - it has changed to "Disqualification".

... in Section B the definition of "Excluded" has been changed since 2017 to say that anyone "Excluded" is "permanently forbidden to take part in any event whatsoever".

... a new definition "Disqualification" has been added, which is self-explanatory.

... the changes in Section B are in red for 2018, but the red ink has not been carried over to the changes to the penalty charts in Section R.

... please check your event regulations where you list changes to the MSA regulations and ensure that you state "Disqualification" and not "Exclusion".
