

MSA INTER-ASSOCIATION TEAM CAR TRIAL CHALLENGE 2017

HOSTED BY THE ASSOCIATION OF NORTH-WESTERN CAR CLUBS

**NORTH WALES CAR CLUB
GERRY P EVANS MEMORIAL
55th CYMRU TRIAL
Saturday 22nd July 2017**

TEAM RESULTS

The Association of North-Western Car Clubs hosted the MSA Inter-Association Team Trial Challenge using North Wales Car Club's annual Cymru Trial for the challenge – and quite a challenge it proved to be as wet ground being dried by warm sunshine in the morning was followed by a downpour during the lunchbreak so that the afternoon conditions were totally different. However, as the first cars started the afternoon sections the rain stopped and sunshine returned to dry out the sections for the final round. With very varied conditions and sections it was a challenge for all, and Shaun Franklin emerged as overall winner, representing the ASWMC. However, it was the host Association, strong in Trials but never having won the Team Challenge before, that took victory thanks to top results from their Yorkshire trio of drivers.
